TRAFFIC COPS
AT BOARD
MEET

PLANS DISCUSSED TO PUT AN
END TO ACCIDENTS ON THE
HIGHWAYS; APPROPRIATION
FOR SQUIRREL KILLING MADE.

All traffic officers of the county were in attendance at the meeting of the supervisors Monday, in accordance with the instructions issued to them at the last meeting. The officers were instructed to attend in order that plans for stopping accidents on the highway might be discussed.

Supervisor Thomas L. Hickey led off in the discussion by stating that in the last month six deaths had occurred in auto accidents in this county largely through reckless driving. Officer Bond told the board that since the traffic officers had been on duty from 10 o'clock in the evening till 3 in the morning in the northern end of the county, not an accident had been reported. Following a short discussion the officers were ordered to turn in to the supervisors the first Monday of each month a full report of accidents occurring during the month past.

The board ordered the highway east of the S. P. tracks closed from Beresford to Redwood City on December 11th, the day the speedway at San Carlos opens. It is expected that 60,000 persons will arrive at the speedway that day by automobile. Special officers will be detailed to handle the great crowd.

As a result of a report of W. J. Graef, U. S. health inspector, on squirrel control, the board authorized an expenditure of \$35 per month each for the expenses of four men to carry on this work for the next six months.

On the recommendation of County Surveyor Kneese the board instructed Contractor Mattson to put in a retaining wall at a place on the La Honda road where settling of the earth has

CITY TRUSTEES MEET
IN REGULAR SESSION

Want Ex-Service Men to File Applications for Tax Exemptions Early in Year; Installment on Sewer Paid.

It was pointed out at Monday evening's meeting of the city trustees that every ex-service man eligible to claim exemption of taxes should file his claim each year between March and July 1st. Several times ex-service men have brought in claims for refund of their taxes after the money was paid, and the board has never refused to make such a refund, yet the members feel that each man eligible to have such exemption should file his claim before payment is made.

A claim was presented Monday evening for the payment of the first installment on the contract of Hickey & Harmon, San Francisco contractor, who are constructing the sewer under the S. P. tracks. Under the contract the first claim of \$2558.35 is due, and the claim was approved.

S. Gianella asked for a refund of his taxes collected for the Golden Eagle Hotel, as the hotel was now out of business, but the board did not see its way clear to comply with the request.

The application of Night Watchman Henry McGraw for a raise in salary was granted, the officer's salary being raised from \$125 to \$150 per month.

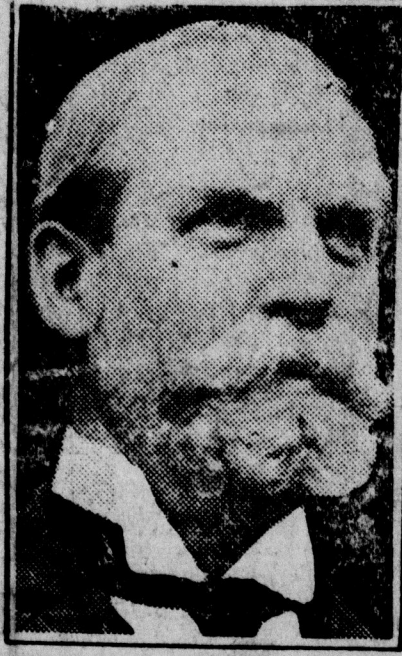

S. P. HANDLES HUGE CROWD
DAY OF THE BIG GAME

One of the biggest transportation problems encountered in recent years was met successfully by the Southern Pacific Company in handling the great crowds going and coming from the Stanford-California football game at Stanford November 19th. The crowd at the game, because of the facilities offered by the new Stanford stadium, seating over 60,000 persons, was the largest ever gathered for such an event on the Pacific Coast. Twenty special trains were operated by the company in handling this crowd, and passenger cars were brought from distant points on the Pacific system to meet the emergency.

Mr. Dotson is employed as electrician at the local steel works.

SMOKEHOUSE ROBBED
OF TOBACCO STOCK

Viette & Thatcher's Place Visited by Robbers Who Secure \$1500 Worth of Stock Monday.

Robbers with a taste for tobacco in its various forms visited the Smokehouse in this city Monday night and cleaned Messrs. Viette & Thatcher, the proprietors, out of \$1500 worth of stock. The booty included cigars, cigarettes, plub tobacco, etc. The quantity carried away leads to the suspicion that there were several in the party.

The robbery was discovered Tuesday morning when George Roll, who is on duty in the store during the day, arrived to open up in the morning. The back door was open and the shelves were stripped clean of goods. Two bundles lying on the floor when opened were found to contain about 10,000 cigarettes in packages and many boxes of cigars. These bundles being left behind would indicate that the thieves had been frightened away before completing their work. A hole sawed in the rear door indicated that those breaking in had reached through and drawn the heavy bar that fastens the door. A fine traveling bag and two pairs of shoes were also taken.

No clues pointing to the identity of the thieves were found.

FORMER BALL STARS PLAY
IN GAME FOR ELKS NOV. 9

Last Sunday the Elks held a baseball game at San Mateo, the proceeds to be used to fill charity baskets for the poor at Christmastime. The feature of the game was that a number of ex-stars played, three of whom were Russell of the White Sox, Fitzgerald and Couch of the Seals. The game was well patronized by local Elks and their friends.

IT'S ANYBODY'S
RACE FOR BIG
PRIZE AUTO

TODAY MARKS REAL START OF
BIG XMAS PRIZE CONTEST END-
ING ON DEC. 23; NO QUITTERS IN
RACE TO WIN FINE AUTOS.

They're off! The bars are up, the track is clear, and every one of the enterprising and ambitious candidates who are entered in The Enterprise, Progress, Community News big automobile prize contest has "right of way." The preliminaries are now over and the race for the rich prizes, headed by the splendid 1922 model OLDSMOBILE TOURING CAR, worth \$1365, and the brand-new FORD TOURING CAR, the \$125 diamond ring, the \$100 Columbia phonograph with records, together with the cash prizes and commissions, is on in earnest.

Today we print the first vote count showing the number of votes earned to date. The race is really just beginning. Each competitor has started in the race with a vim and determination to win or to know the reason why, and the battle royal is attracting widespread interest.

Several of the most aggressive candidates have started in the race with a goodly number of votes to their credit, but the leaders of today do not necessarily indicate the winners by any means, as four weeks remain to bridge the chasm now existing between the highest and those having the fewest votes.

While many popular and energetic people have been nominated by their friends, it is not to be expected that all will become active competitors; however, there is plenty of room and plenty of prizes and cash for more hustlers.

Don't Get Discouraged

Don't become discouraged because you are not at the head of the list in this week's vote count. The contest is just commencing, just beginning, and there is not a single candidate among those listed today, or, for that matter, an ENTIRELY NEW CANDIDATE, who could not, if the proper interest and effort were put into the matter, secure enough votes and subscriptions by this time next week to lead the entire field.

When one takes into consideration the fact that 50,000 SPECIAL EXTRA votes are allowed on each \$20 in collections turned in, besides the REGULAR number of votes allowed on each subscription, it can readily be seen how high vote totals are obtainable, and that no one, so far, has a "walk away" for the automobile prizes.

Time Is Limited; Get Busy

Now is the time for those who are competing in this race to "make dust fly." Only TWO WEEKS remain in which to secure "first period" votes—the MAXIMUM number to be allowed; TWO WEEKS TO WIN OR LOSE, for that is exactly what it means. After December 9th, there is a material decrease in schedule of votes as shown on the front cover of the little receipt books, and after December 16th there is a still further decrease in the schedule of votes—in fact, it is nearly cut in half.

Our best advice to those who wish to win is to make every minute count between now and the close of the first period, December 9th, while the big votes are allowed. Not to do so simply means that you are throwing away golden chances.

No Quitters Here

Candidates, you are off at the post now, and the pace is growing hot. Your ability and popularity have been demonstrated. You can finish strong if you will. With such a fine line-up—if we know character at all, there will be no such miserable thing as a quitter in the list, for there is cash and prizes for all. Certainly the winners will be entitled to admiration for defeating such a field.

The entry list is still open—we expect several new candidates to enter (Continued on page 6, col. 1.)

HERE'S HOW TO JUMP INTO
THE LEAD IN BIG
AUTO CONTEST.

On each five-year subscription to The Enterprise, the North End Progress or the Community News or with the sale of TWO advertising or job printing cards—25,000 votes are allowed, providing the same is turned in during the first period of the campaign ending December 9th.

Then in addition to the REGULAR number of votes allowed on each subscription, 50,000 SPECIAL EXTRA VOTES are given on every \$20 in contest collections turned in.

Therefore, two five-year subscriptions (amounting to \$20 in business or \$20 from the sale of FOUR credit Advertising or Job Printing Cards) means 100,000 votes.

So it can readily be seen, by glancing at the vote totals, that just a few such subscriptions for any one of the various candidates would at once furnish a new leader in the race.

In fact, an ENTIRELY NEW candidate who, at this time has no votes at all, could, by a little enthusiastic action on the part of himself and friends, climb at once to the top of the list and thereby acquire the leadership for the big prize automobiles.

And, when one takes into consideration the value of the prizes—TWO AUTOS and four other prizes, six in number, to be awarded December 23d, besides a guarantee of cash commission to active non-winners, they are certainly worthy of any effort it might take to win them during the few short weeks this contest is on.

Let's go.

BLUE AND WHITE

The value of a school paper cannot be overestimated, and it is every one's privilege to help make the Blue and White a success.

A successful paper requires two things, which are co-operation and contributions; co-operation in boosting the school paper and contributions making each issue bigger and better than the last. Either without the other is equal to nothing. Let us remember this and make the Blue and White amount to something.

It may be a wise thing to inform the staff that co-operation means more than simply reading this paper. It means interesting contributions and assistance with the publication of the paper.

Let's all do our bit!

DON'T FORGET THE CIRCUS!

The sophomores promise to have many interesting concessions in the coming high school circus. The date on which the circus will take place has not yet been decided. They have been working hard making plans and have collections dating from the year 1.

It gives us pleasure to announce to the public that Cleopatra has finally consented to be present at the circus. Don't lose the only chance you will ever have to see the charming and real Cleopatra!

The House of Horrors has added many things which will enable it to carry out its name. Even people who are very brave and courageous will come out of the House of Horrors with the shivers.

Many other concessions will be had by the sophomores, and you want to make certain that you get to see them all.

120-POUND TEAM PLAYS GAME.

The 120-pound boys' team also played Redwood Friday. Both teams played a fine game, but our team seemed to lack team work.

Redwood won by a score of 36 to 22.

LOW FRESHMAN MEETING.

The low freshmen held a meeting to decide upon their class colors. After much discussion it was decided to have brown and yellow as the colors.

SOUTH CITY VS. PALO ALTO.

Friday afternoon the girls' basketball team went to Palo Alto to play their second P. A. L. game.

Those on the team were: Gertha Lane, Anna Carlie, Sylvia Thomas, forwards; Althea Spangler, side center; Genevieve Schmidt, touch center; Rita Castro, Margaret Murray, Laura Baldini, guards.

The game was well played, but ended in favor of Palo Alto.

BOYS' BASKET-BALL GAME.

The local boys' basket-ball team played against Redwood on the local court Friday. Our 110-pound team outclassed the visitors in every way. Fine passwork was had throughout the game.

Frank Pelligrini played a very good game. Elton McGraw also starred in his quick goal shooting and his fast passwork.

South City won the game by a score of 21 to 3.

A THANKSGIVIN' HYMN

When ripeness crowns the fruitful fields, and the bins has took their toll, a million comforts stand revealed to cheer our inmost soul. And so, this fiftin' hour has come to doff our lids and say, "These blessings' pure from a Higher Power inspires Thanksgivin' Day."

We ain't been what we might a-been, such weaklings are we, nor realized the state we're in, so clost to eternity! And therefore it becomes us well, with these poor forms of clay, to sanctify the place we dwell with a glad Thanksgivin' Day.

Contrite because of wrongs we've did, repentant knees we bend, well knowin' that no deeds is hid from the blessed Lord, our friend. . . . Considerin' what he'd done for us, our best is but meager pay. Let's tell him so, in harmony plus, this glad Thanksgivin' Day.

The wonderful improvements in the postal service make it easy for the bandits to operate without fear of loss. The money shipments go out on schedule time.

Seek not to lift the veil of the future. Your coming sins might scare you into taking the back track.

The fellow who "doesn't think" saves a lot of trouble for himself and inflicts it upon others.

KIDNAPED JAPANESE GIRL IS NOT YET HEARD FROM

Although a reward of \$100 has been offered by N. Yamauchi, proprietor of a nursery and bower garden at Beresford, for information which will lead to the recovery of his daughter, Suza, who was kidnapped last Tuesday night by her lover, Yomo Yamamoto, and the sheriff's office has sent offers of the reward broadcast throughout the state, no information as to the whereabouts of the couple has as yet been received.

Mrs. Yamauchi, who fought to keep her daughter from being taken away and was overcome by two burly negroes, is sure that her daughter is being held against her will by Yamamoto. Requests have been sent to county clerks throughout the state to refuse a marriage license to the couple, as it is thought the girl may be induced through fear or by other means to accompany her kidnaper to the marriage license bureau.

Yamamoto has also been charged with the theft of the new Ford automobile in which he took the girl away. According to information given to the Sheriff's office, this car was not purchased by Yamamoto at all, but was the property of the girl's father. In addition to the authorities, it is said that the different Japanese associations have been asked to search for the girl, and that members of her own race are now endeavoring to locate her.

BONO HELD FOR TRIAL ON SERIOUS CHARGE

Edward Bono, son of Mr. and Mrs. Peter Bono of this city, was up before Judge E. E. Cunningham Monday afternoon on a charge of abduction. The warrant was sworn to by Louis Levinson of Los Angeles, father of a 17-year-old girl, whom Bono is accused of enticing away from her home and bringing to the Bono home in this city. The girl was in court and stated that Bono had persuaded her to leave home, promising to marry her, but afterward had told her he was a married man. The charge was changed to rape because of the girl's youth and Bono was held for trial in the superior court, being released on \$5000 bonds furnished by his father and John Casino.

CLAIMS ELECTION CROWD DAMAGED HIS PROPERTY

Charging that a mob celebrating the victory of the administration in San Bruno called at his home Friday night and while he was talking to friends in the front tore down a fence and small barn in the rear, Reinhold Rathke, in whose name the suit to compel the San Bruno trustees to call the election was brought in the superior court, has announced that he will apply for John Doe warrants before a justice of the peace in some other township and ask that the sheriff's office serve the warrants.

Rathke claims that he knows several of the men who took part in the mob action, and intends to see that they are prosecuted. He claims that the damage to his property will amount to \$200. He also stated that it would be useless to endeavor to have the men arrested or dealt with by San Bruno officers, as they are all under the influence of the administration.

MASQUERADE BALL DRAWS

EXTREMELY LARGE CROWD

The annual prize masquerade ball given by Marconi Nest, Order of Owls, took place at Castle Hall on Saturday evening, November 19th, and attracted one of the biggest crowds that ever filled the hall. People from all over the county and San Francisco were in attendance. The main feature of the evening, which

caused much fun, was guessing at the different masked folks. Much credit is due all members of the order, who decorated the hall in an artistic manner with varicolored streamers and greens. At 11:30 the grand march took place, Miss Hilda Bocci of Colma and Fred Finloff of Burlingame acting as leaders. Those who won prizes were: Miss Gussie Kling, first; Edward Bocci and Miss Katherine Bertucci, second; Fred Finloff and Miss Hilda Bocci, third; Manuel Verna and partner of South San Francisco, fourth; Miss Edna Schenone, fifth; Miss Sylva Haubrich, sixth; a group consisting of Mrs. Adolph J. Work on St. John's Evangelical Church has been commenced, the concrete foundation for which has been completed during the early part of this week.

The Pals of Mercury, San Bruno's latest athletic organization, is going ahead with great enthusiasm perfecting arrangements for a dance December 10th at California Hall.

The school orchestra, under the able tuition of Superintendent Knight, is rapidly getting into shape, and at no distant date the boys will be ready to render good service at many of San Bruno's social functions.

The masquerade ball given at California Hall last Saturday evening under the auspices of the Woodmen of the World was largely attended, and a most enjoyable time was experienced by all those present.

The Yeomen held a very successful whist party at Carpenter's Hall on Tuesday night, at which two live tur-

keys were given away as first lady's and gentleman's prizes, these being won by Mrs. Nerny and Edmund Flynn. The one raffled was won by Mr. Reitman of Lomita Park.

FRIENDS OF MAYOR GRUNDY ORGANIZE PERMANENT BODY

Those who worked for the re-election of Mayor A. S. W. Grundy at the recall election last Friday met Monday evening and formed a permanent organization. W. Ford of Third Addition was made chairman of the organization, which has for its object the promoting of movements that make for the good of San Bruno. A name has not yet been decided upon. Another meeting will be held next Monday evening.

FAMOUS WATER CASE GOES TO THE SUPREME COURT

Messrs. Lund, Kane, and Palmer have again appealed the water case, having instructed their attorney, Mr. Black, to make application to the supreme court for a new trial. The brief in the case has already been printed and filed with the court and bears the number 9745.

The Rose litigation with the city has now been brought to a conclusion by the superior court deciding the matter in the city's favor.

RENAMING OF SAN BRUNO IS AGAIN BEING AGITATED

Again the matter of renaming San Bruno is being talked about, and doubtless a great and concerted effort will be made in this direction. It is felt that San Bruno is not sufficiently personal to the city as this name follows one clear into the confines of San Francisco because of the name of San Bruno road, which leads to much confusion. Peninsula City, many feel, would be an appropriate name.

RESULT OF ELECTION.

San Bruno showed itself unmistakably in favor of the majority members of the board of trustees by refusing to recall the chairman of the board last Friday, the result of the election being as follows: Against the recall, 356; for the recall, 218; majority against, 138.

The local paper was a strong supporter of Mayor Grundy throughout the campaign.

"They Don't Answer"

When the telephone operator says, "They don't answer," it is after a sincere endeavor to get your party. She cannot compel an answer.

The party called may be unwilling to leave a particular household duty—may be in another part of the home beyond closed doors—may be chatting with a neighbor—may be marketing—may be slow in answering. Strange, but true, calls are sometimes designedly unanswered.

Telephone records show that the great majority of "don't answer" reports come from residence calls. In business, where it is a matter of dollars and cents, it is always the assigned duty of some one to be within sound of the telephone bell.

"They don't answer" is the statement of a situation absolutely beyond the control of the telephone operator.

HANDBAGS MUST BE USEFUL

Compartments as Important as Style
—Duvelyn Faille, Silk and Canton Crepe, Materials.

Smart compact bags are the keynote of the novelties featured this season. Paris has set the pace for bulkless appearing handbags, and American manufacturers have adopted this idea with variations to suit the needs of American women.

Bags are carried more for utility than for decoration by American women, it was pointed out, and therefore compartments are as important an element as the style. To give the flat effect and at the same time make it roomy has taxed the ingenuity of manufacturers, but they have succeeded admirably in combining the two. Bags are being made so small and at the same time spacious enough for toilet articles, that the term "vanity" is liberally applied.

The envelope bag, square and oblong shape, is the most stressed style, but bags on frames and draw strings developed in new materials are also conspicuously featured.

Duvelyn faille, silk and canton crepe are three of the most popular materials used this season and are combined in many cases with steel beads. There is a strong tendency toward fur bags. Some manufacturers are bringing them out in American broadtail and the cheaper makers are approximating this by using fur fabrics or imitations.

SYNOPSIS OF SERMONS

St. Paul's M. E. Church

In a series of sermons on "Do's for Everybody," the Rev. C. L. Peck gave a dozen do's for the parents last Sunday evening, to the delight of all present.

The following are the tips given to the men:

"Do the thing your conscience leads you to do. The conscience is the eye to the soul.

"Do not misrepresent Jesus Christ. If you accept his teachings, exemplify them in your daily life.

"If you know of some one who ought to be in the church, do not send some one else after them. Go yourself.

"Be a Christian in office, store and shop, and show your associates you live what you profess.

"Help make your church a community center for the highest moral tone in your neighborhood.

"Give an honest share of your time and money to the church and the kingdom."

His "do's" for the women are:

"Start the week right by getting up Sunday morning in time to get your husband's breakfast so he'll not be late at church.

"Talk up your church and Sunday school at home and abroad. A woman's tongue beats printers' ink.

"Meet your husband at the door each evening with a smile and kiss; it will be a sure cure for the divorce court.

"Form a partnership with your husband, not only in the family affairs but in his business life. You are not much of a woman or you have earned your share of the property. At least, have a joint deed of the home.

"Always magnify the good qualities in your husband. Never talk about his frailties. The world will find them out soon enough without your publishing them.

"Be economical. Many a man is brought to bankruptcy by the reckless and needless waste of money on the part of his wife."

Next Sunday night Rev. Mr. Peck will preach on "A Dozen Do's for the Preachers."

Grace Church (Episcopal), Nov. 20

The Christian year, which begins next Sunday, is a method, a schedule, a curriculum, the center of which is the life of Jesus. There are other systems and lack of systems, but this has influenced them all. All Christendom observes the great events in the order of this schedule, Christmas, Good Friday, Easter, etc. As the world circles the sun, so the "year" circles the life of Christ. It is the main highway of the Christian faith; but a highway is for use, not contemplation. For the ordinary man, faith must be exercised in the haunts of men. The seclusion of the laboratory or of the cloister is for the few. The form of faith, of worship, is not a badge of personal conceit. As such, it becomes an incumbrance to the wearer and an irritation to the beholder. Without charity, the grandest ceremony and the most devoted profession of sentiment are both as

clanging brass or tinkling cymbal. "Without charity (love) I am nothing"—that is it, nothing! The idea of chalking up credits to oneself because one "reads a chapter" or "says" one's prayers, or "observes seasons," is too common an error to speak lightly of.

Who can cast the first stone? But used as a help, to keep in touch with HIM, the "year" is a highway, "The King's Highway," brothers treading where the saints have trod, and there is a true value in its historic association. To slavishly follow a schedule may make a machine, an automaton, but religion is Life, and any system only a method, not a law.

All systems depend on individuality. "The best laid plans of mice and men gang aft a-glee." Why? Because of personality. One never knows what "the other fellow" is going to do.

Neither armament nor disarmament will prevent war. Money, economics, will not decide war or peace. Human nature is what it was in ages past, and unrestrained, like other forces, will sweep its way blindly. An inflamed man or nation will fight! Sentiment must be controlled by law.

Do not confuse individualism with individuality. Individualism is aboriginal, and reverts, in civilization, to the blazed trail, and, in religion, to pagan philosophies.

The "year" is the modern Christian highway, and its Key, "the law of the road."

BROTHER OF ARBUCKLE WEDS IN REDWOOD CITY

William Clyde Arbuckle, 21-year-old brother of Roscoe ("Fatty") Arbuckle, motion picture comedian, and Miss Gladys Christine Knight, 18, both of Fresno, were quietly married last Sunday in Redwood City by the Rev. Stephen C. Thomas, pastor of the Methodist church.

The couple were attended by Mr. and Mrs. R. L. Pennington of San Jose. Pennington and young Arbuckle were formerly associated in an airplane project. Both Arbuckle and his bride are residents of Fresno.

A tragedy of the middle-aged is the knowledge that any new love they acquire is warmed over.
